## **Behaviour management**

- Unacceptable behaviour such as bullying, harassment or intimidation will not be tolerated at any time. Any child who exhibits behaviour that places the wellbeing of other children, themselves or staff at risk will be excluded from the service immediately. If centre staff, contact the parent/guardian/emergency contact requesting a pickup this must be done immediately. Educators will make every effort to manage challenging behaviours through positive behaviour management techniques; however, when this has been attempted and is unsuccessful then it is the parent's responsibility to collect the child/ren or arrange alternative arrangements.

There are several reasons where it may be necessary for a child/family to be excluded from the service. (As per our policies and procedures)

- The behaviour of the child is endangering themselves or others.
- The behavior requires extensive supervision from staff that may be to the detriment of other children in attendance of the program.
- The behavior of the child is extremely insolent, disruptive to the program, persistently non-compliant, violent / aggressive towards educators and children.
- Repeated and frequently late collection of a child by parents and carers.
- Fees are largely outstanding, consistently unpaid by parents/guardians.

If you need any clarification about the above, please do not hesitate to discuss with Educators or the Director/Nominated Supervisors.

## **Medication**

No child will be administered medication unless a medication authorization form has been filled out and signed by the parent/guardian each day and the medication are in its original package.

## **Asthma, Anaphylaxis, Other Medical Conditions**

All Medical conditions, Action Plans & Risk Management Plans must be discussed and given to Nominated Supervisor prior to child's start date and updated based on doctor's advice.

## **COVID Guidelines**

- Any child or parent/family member experiencing flu like symptoms are required to have a COVID test and self-isolate until you have received a NEGATIVE result. Children are not to attend care if they are unwell or are awaiting results. Please follow the guidelines set out by NSW Health.
