If centre staff, contact the parent/guardian/emergency contact requesting a pickup this must be done immediately. Educators will make every effort to manage challenging behaviours through positive behaviour management techniques; however, when this has been attempted and is unsuccessful then it is the parent's responsibility to collect the child/ren or arrange alternative arrangements.

There are several reasons where it may be necessary for a child/family to be excluded from the service. (As per our policies and procedures)

- The behaviour of the child is endangering themselves or others.
- The behavior requires extensive supervision from staff that may be to the detriment of other children in attendance of the program.
- The behavior of the child is extremely insolent, disruptive to the program, persistently non-compliant, violent / aggressive towards educators and children.
- Repeated and frequently late collection of a child by parents and carers.
- Fees are largely outstanding, consistently unpaid by parents/guardians.

If you need any clarification about the above, please do not hesitate to discuss with Educators or the Nominated Supervisors.

## **Medication**

No child will be administered medication unless a medication authorization form has been filled out and signed by the parent/guardian each day and the medication is in its original package.

## **Asthma, Anaphylaxis, Other Medical Conditions**

All Medical conditions, Action Plans & Risk Management Plans must be discussed and given to Nominated Supervisor prior to child's start date and updated based on doctor's advice.

## **COVID Guidelines**

- Any child or parent/family member experiencing flu like symptoms are required to have a COVID test and self-isolate until you have received a NEGATIVE result. Children are not to attend care if they are unwell or are awaiting results. Please follow the guidelines set out by NSW Health.
